Hi and Welcome to Absolute Dream Limousines, Inc.

Thanks for downloading our limousine introduction and selection form. With this package you can choose the best limousines for your upcoming prom. Whether you want a traditional stretch, a cozy sedan, our our group party Limo Bus or our classy 1950 Rolls we can furnish you with a stress free ride!

Proms are without a doubt an exciting time and are an opportunity for many young adults to experience limousine service at its best. The school prom comes alive, and they learn what it means to have fun... with no parents in sight!

You've spent thousands of hours in transit, back and forth to school, and in front of the desk studying for the next day's quiz. You've worked hard. Now your graduation is now just around the corner. It's time to celebrate this special occasion with one of our limousines. We are an established lines company in the greater Chicagoland area and want to be the one to take you to your high school prom. We would like you to show up at your high school prom in grand style! Please contact us to discover what we can do for you.

Absolute Dream Limousines is a family owned and operated business that serves the entire Chicago Metropolitan area. We pride ourselves in delivering the greatest possible service at a fair price. Our chauffeur will treat you like true VIPs. There is only ONE school prom experience - we do it best! A chauffeured limousine will turn a prom into a dream come true, and give a parent peace of mind about safety.

Talk to us to NOW. Finding a great limo service can be difficult to find at prom season. We will discuss a package that suits you. Our Prom reservation team is waiting for your call at 773-586-7513 or 708-535-7400; or fill out the attached reservation form and fax it to us at 773-424-3182. We will confirm your reservation shortly thereafter.

Let us know if you have any special needs, color themes, favorite beverages, and such. We work hard to make your day special!

Sincerely,

Dan

Absolute Dream Limousines, Inc.

PS Our Prom Limousine Services do not charge for wait time during the prom. Many limo services keep the clock running, and you pay for limo time during the prom. We stop the clock and don't charge you for prom dance time.

We hope you find this information useful!
